**Subject:** Donburi Complaint at BLDG 31

Good Afternoon,

A customer had a complaint on a beef Donburi bowl around noon today (1/2) at BLDG 31. She had approached the DDS- (b)(6); Contractor Info; Name of Non-Key Personnel [redacted] and we are currently looking into this matter closely. She said that the bowl was too salty, specifically the beef which was too fatty, and felt unwell afterwards. She experienced a little nausea but her symptoms have not worsened, and is feeling better since her meal. Rachel will contact me if she decides to visit OMS.
